**ABOUT THE COURSE**

The programme is designed for HCSWs and HCAs who wish to develop their professional skills and, in future, progress to a Nursing Associate role. Through this unique programme of interactive blended online learning, learners will learn to reflect and build on their existing knowledge and experience in order to respond to future healthcare requirements and confidently manage change in the workplace.

**COURSE SUMMARY:**

Duration: 12 weeks online learning plus one Essentials Clinical Workshop (2 x 2-hour sessions)

Notional Study Time: 150 hours

Delivery: Interactive Blended Online Learning

Course Assessment: E-Poster and 500-word reflective commentary (100%)

**ENTRY REQUIREMENTS:**

To enrol on this programme you must :

have achieved or be working towards care certificate level.

actively be employed as a Healthcare Assistant or Healthcare Support Worker with aspirations to be a Nursing Associate.

**WHATS ON OFFER?**

- Functional skills qualification offered to meet criteria required for entry to the Nursing Associate course
- Support will be offered to gain this if required
- PC TNA PEF support is available to discuss future progression towards becoming an NA in Primary Care
