GP and UK Royal College of General
Practitioners expert clinical advisor

Student Awards

Training Events

[CLICK HERE TO BOOK](#)

The sessions will include:

- An update on the undergraduate programmes
- Questions and discussions with members of the team
- Active learning sets for improving teaching and learning
- Physician Associate training and sharing of good practice
 - Regulatory body assessment updates
 - Safeguarding training
- Educational supervisor training/updates

Our Keynote Speaker is Dr David Unwin.

David is a local GP who was made a UK Royal College of General Practitioners expert clinical advisor in 2015 for his dedicated efforts in patient communication and type 2 diabetes. His work has been covered by the BBC, New Scientist, The Times and the BMJ.

The opportunity to book onto a tour of the Clinical Skills and simulation building will be made available nearer to the conference.
