

Northwest National Preceptorship Assessment Data – 1st year review

Monday 16th October, 11:00-12:00
Via MS Teams

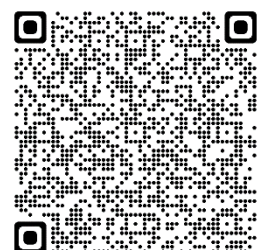

We will be hosting a session to focus on the outcomes of the National Preceptorship 1st Year Review for the North-West. This will include key achievements and areas of focus for the next year.

This event is aimed at trust preceptorship leads, nurse workforce leads, chief nurses/deputy chief nurses, Trust retention leads, ICB retention leads and ICB leads with a focus on or interest in Preceptorship.

The webinar will report regional and national findings from the First Year Review, conducted in Summer 2023. This will identify a regional focus for Preceptorship delivery over the coming months, and celebrate regional achievements since the launch of the National Preceptorship Framework for Nursing.
