The event will feature inspiring speakers, engaging discussions and opportunities to connect with leaders in the apprenticeship sector whilst exploring the future of skills development.

How to Participate

Register: Sign up for events in advance via our registration form, either via this link [L&SC National Apprenticeship Week 2025 Registration Form](#) or the QR Code.

A confirmation email with event joining instructions will then be provided to you.

When attending these events, punctuality is essential. Due to the short duration of the session, the facilitator will be unable to restart or recap for latecomers.

These events may be recorded in order for the information to be accessed by those who are unable to attend. If you do not wish to be visible during a recorded session, please ensure that you notify the presenter in advance of the session and also keep your camera off during the session. By registering on to any of these events you are consenting to the event being recorded.

We encourage where appropriate to participate actively in discussions, ask questions, to explore apprenticeship opportunities.

For clarity, these sessions are not enrollment onto an apprenticeship programme. They are for informative purposes only. To apply / continuing applying for an apprenticeship, you will need to reach out to your manager and follow your organisation's established process.

We look forward to your participation in National Apprenticeship Week. Together, let's build a brighter future through apprenticeship programmes! #NAW2025 #SkillsForLife @Apprenticeships X and Apprenticeships LinkedIn trending for National Apprenticeship Week! Please contact us if you have any questions by emailing lscicb-bl.icbapprenticeshipinbox@nhs.net
